### **Tuition for Affiliated Students**

No tuition is charged directly to students from affiliated colleges or universities by the Our Lady of Fatima Hospital School of Medical Technology. Students presently enrolled in one of the affiliated colleges are required to follow that institution's policy regarding payment of tuition and/or fees. The Hospital is reimbursed the tuition for the students enrolled in the program directly from the affiliated colleges

### **Tuition for Non-Affiliated Students**

Students from other programs or graduates with a BS degree may be placed in the program should there be a vacancy. These students are charged a fee of \$6,000 directly by the school. The tuition fee is billed in two payments by semester.
